School of Theology

1. Diploma in Theology (2 years)

The **Diploma in Theology** provides a solid foundation in biblical studies, Christian doctrine, and ministry skills, preparing students for effective service in the church and wider community. This program emphasizes the integration of sound theological understanding with practical ministry application, equipping students to think biblically, live faithfully, and serve effectively.

2. Diploma in Intercultural Ministry (2 years)

The **Diploma in Intercultural Ministry** is designed to equip students with the biblical, theological, and cultural understanding needed to serve effectively in diverse cross-cultural contexts. This program blends missiological training with practical ministry skills, preparing graduates to communicate the Gospel, disciple believers, and engage in community transformation across cultural boundaries.

3. Certificate in Christian Ministry (1 year)

The **Certificate in Christian Ministry** is primarily designed for pastors seeking to strengthen their biblical and theological foundation while developing practical ministry skills. However, it is also highly beneficial for lay leaders who desire to serve their churches faithfully and contribute to the spiritual maturity of the body of Christ.
